Limestone High School

Bonnie Seiler, Editor in Chief

Foreword

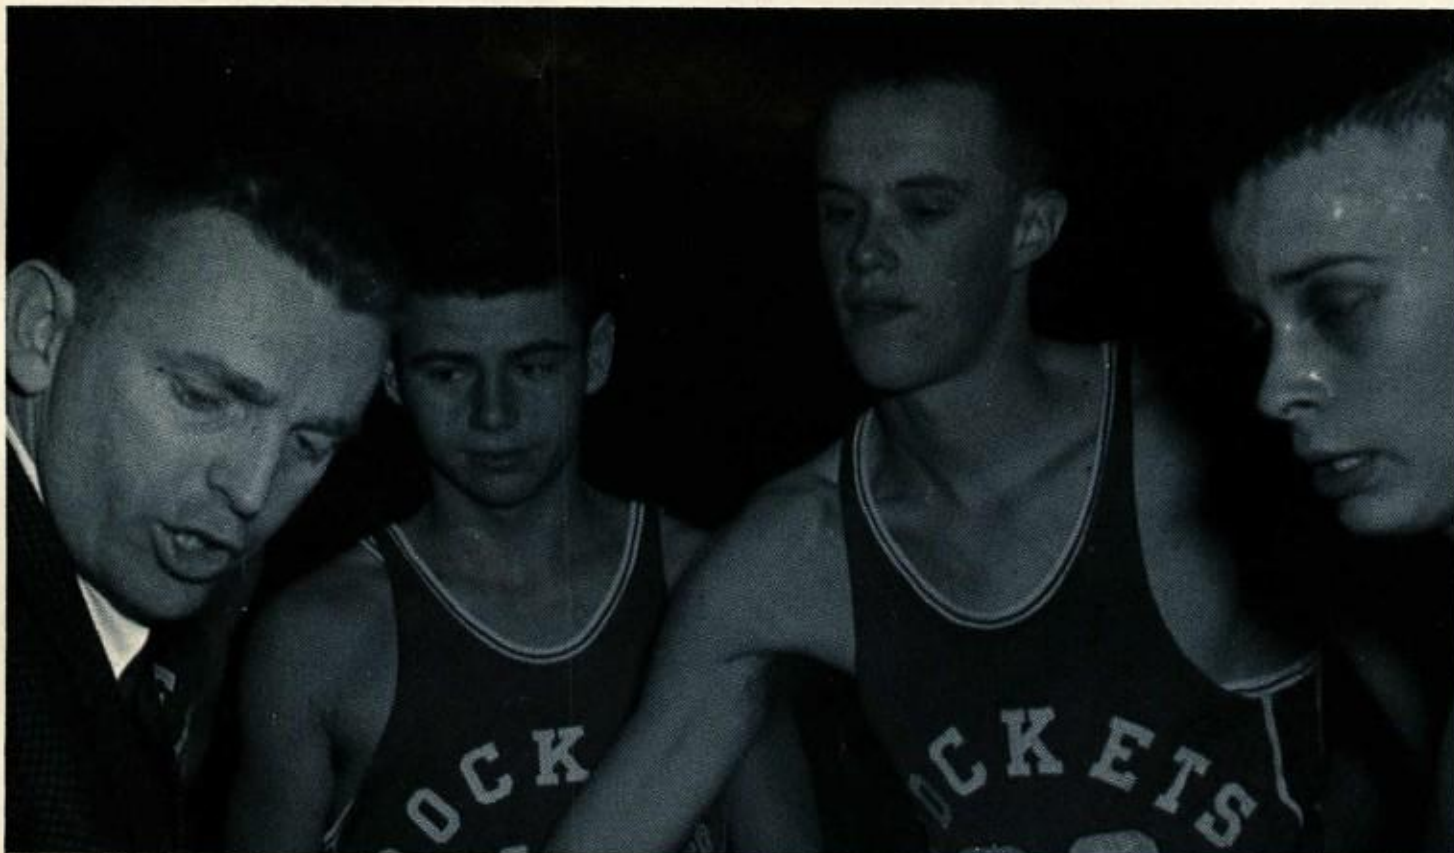

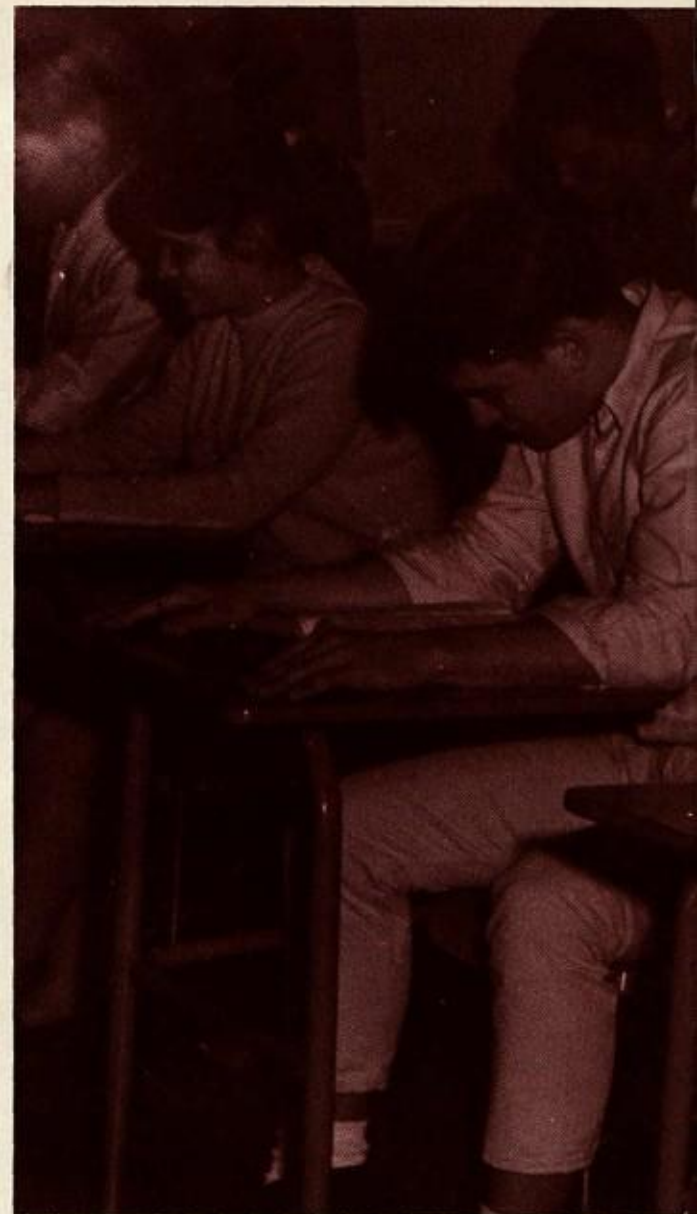

Throughout our years of high school, experiences and activities come and go like a summer's breeze; but our memories will stay like the beauty of God's world.

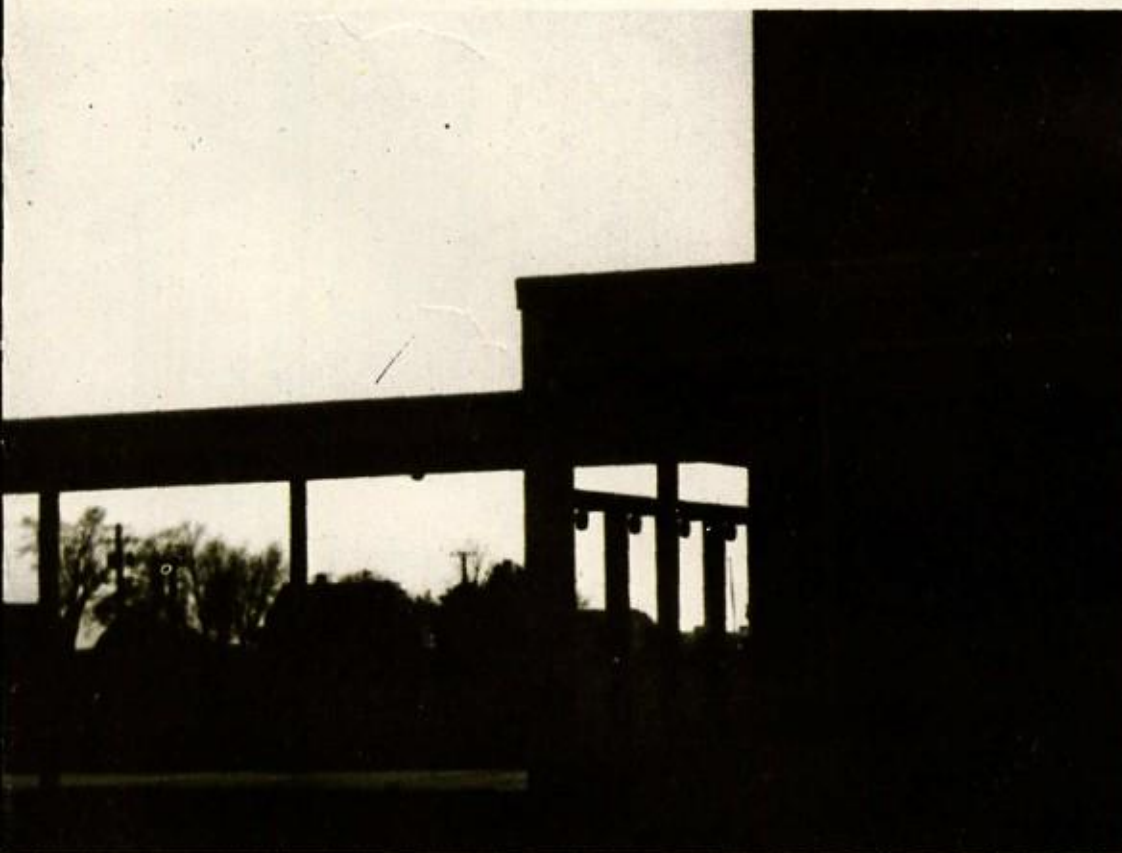

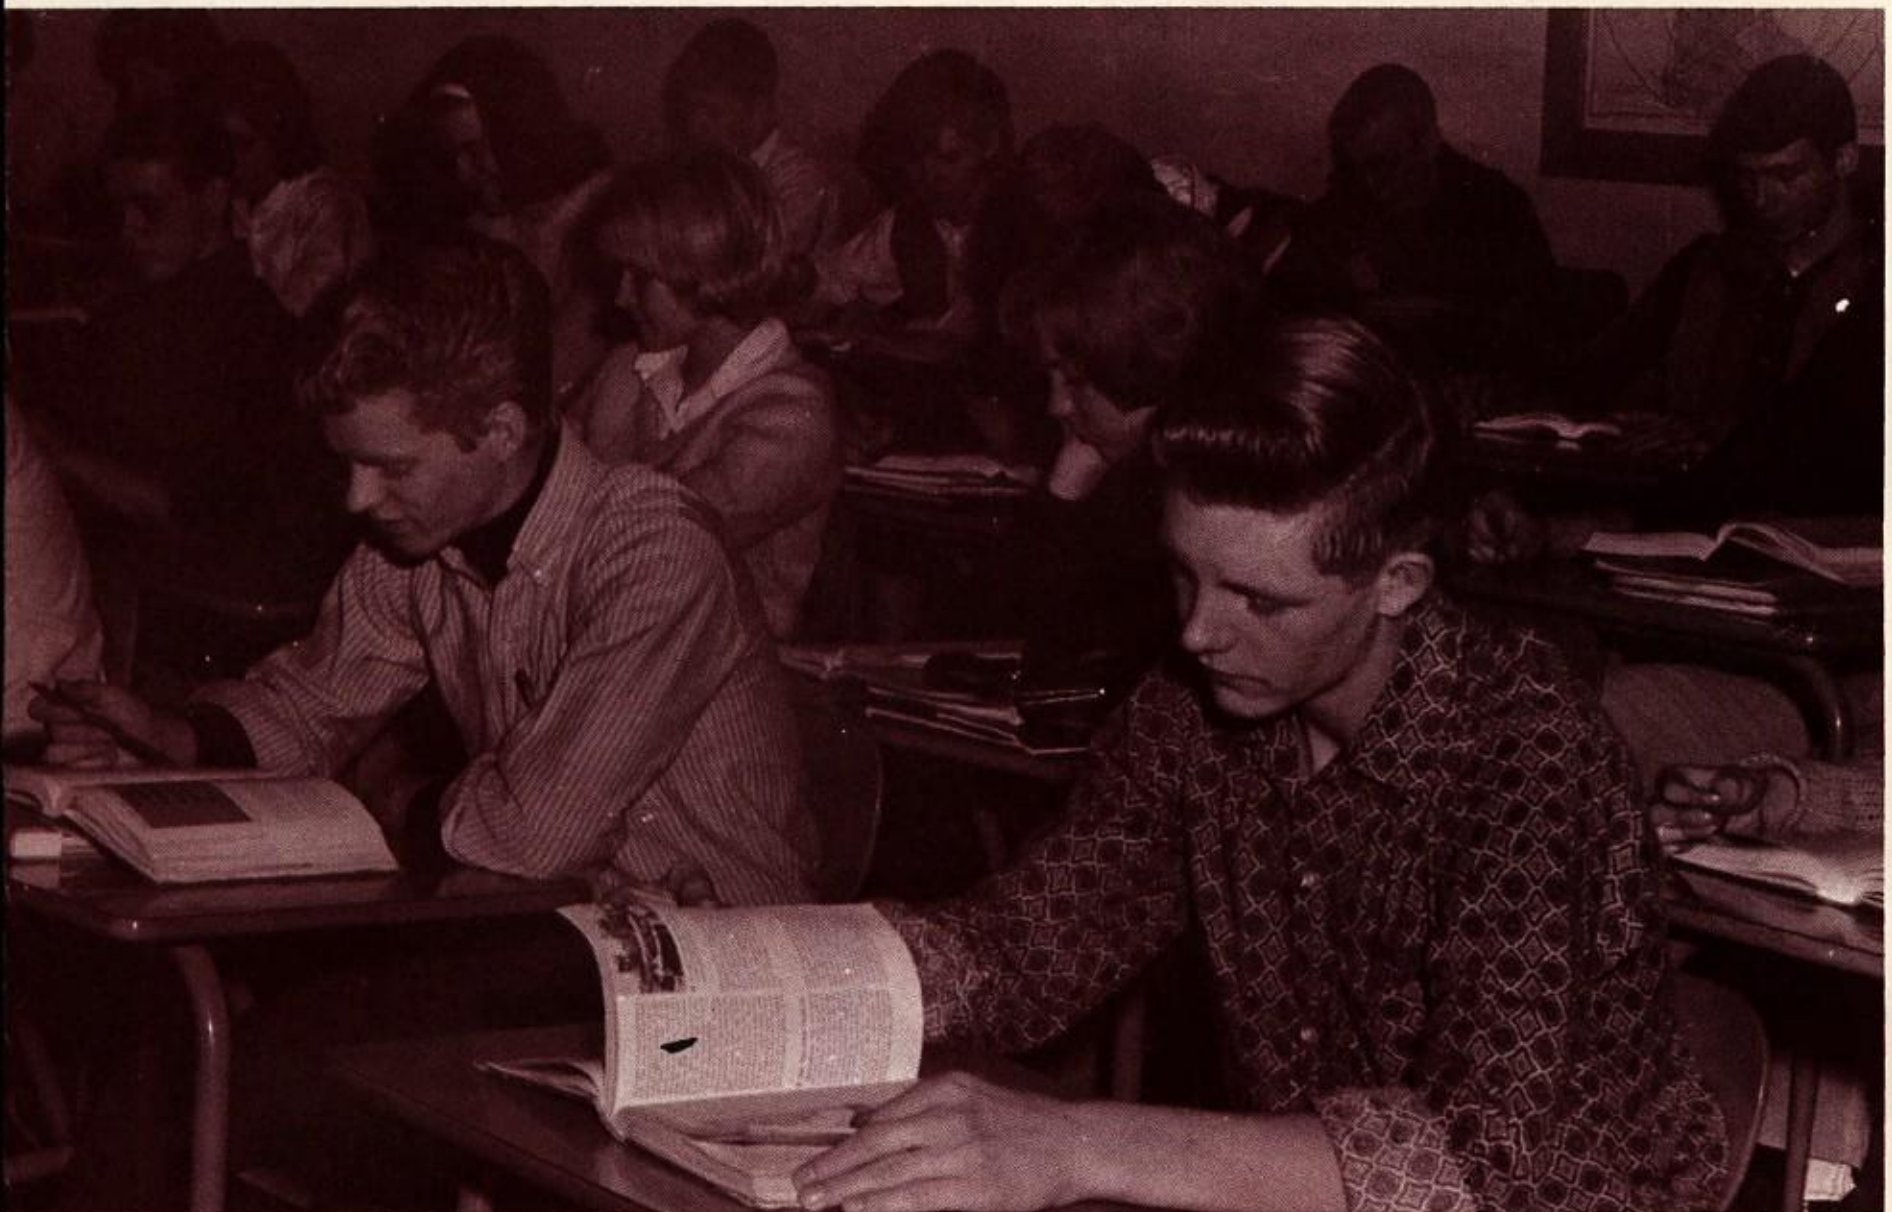

Nature exists and is ever-present at Limestone High School. It peeks in our windows, halls, classes, and into the individual life of each student. We discover its wonders in our classrooms: in an English sonnet about daffodils; in a biology class while dissecting a frog and discovering the wonders of the circulatory system; while wondering about the mysterious pattern of the grain in the board we are planing in woodshop . . .

When spring comes, student enthusiasm rises like sap in a maple tree. Nature brings forth the desire of all students to be outdoors and under the open sky.

The students ideas about summer vacation vary greatly. Some students may be thinking about that summer job they are going to have. Others may be dreaming about going on that annual vacation with the family or going on to college. Some students look forward either with anticipation or regret to the day when they will become young adults.

As our future unfolds before us in whichever path of life we may trod, nature and the wonders of God's creation will always be around us. We become more and more aware of our environment because of the ideas we learned both in and outside the classrooms of Limestone.

Night Scene

The lights burn late at Limestone.

Track men lap through the warm winter halls, staying in shape. A dedicated teacher spends an extra hour tutoring concepts to a no-longer bewildered sophomore. School board discusses high finances. Boosters Club gathers in the Rocket's Roost for coffee after hearing a thought-provoking speaker from Nepal. Gymnasium fill with sound of applause after a band concert—a sock hop—an after game dance. Clock nears twelve as the yearbook staff yawns toward a deadline. The crowd hurries into the night, home from an excellent dramatic production like "Gazebo." Mrs. Clark smiles from the Snack Bar after a basketball victory. Finally, the empty halls hear the lights click off one by one as the custodians finish their final cleanup. The school sleeps.

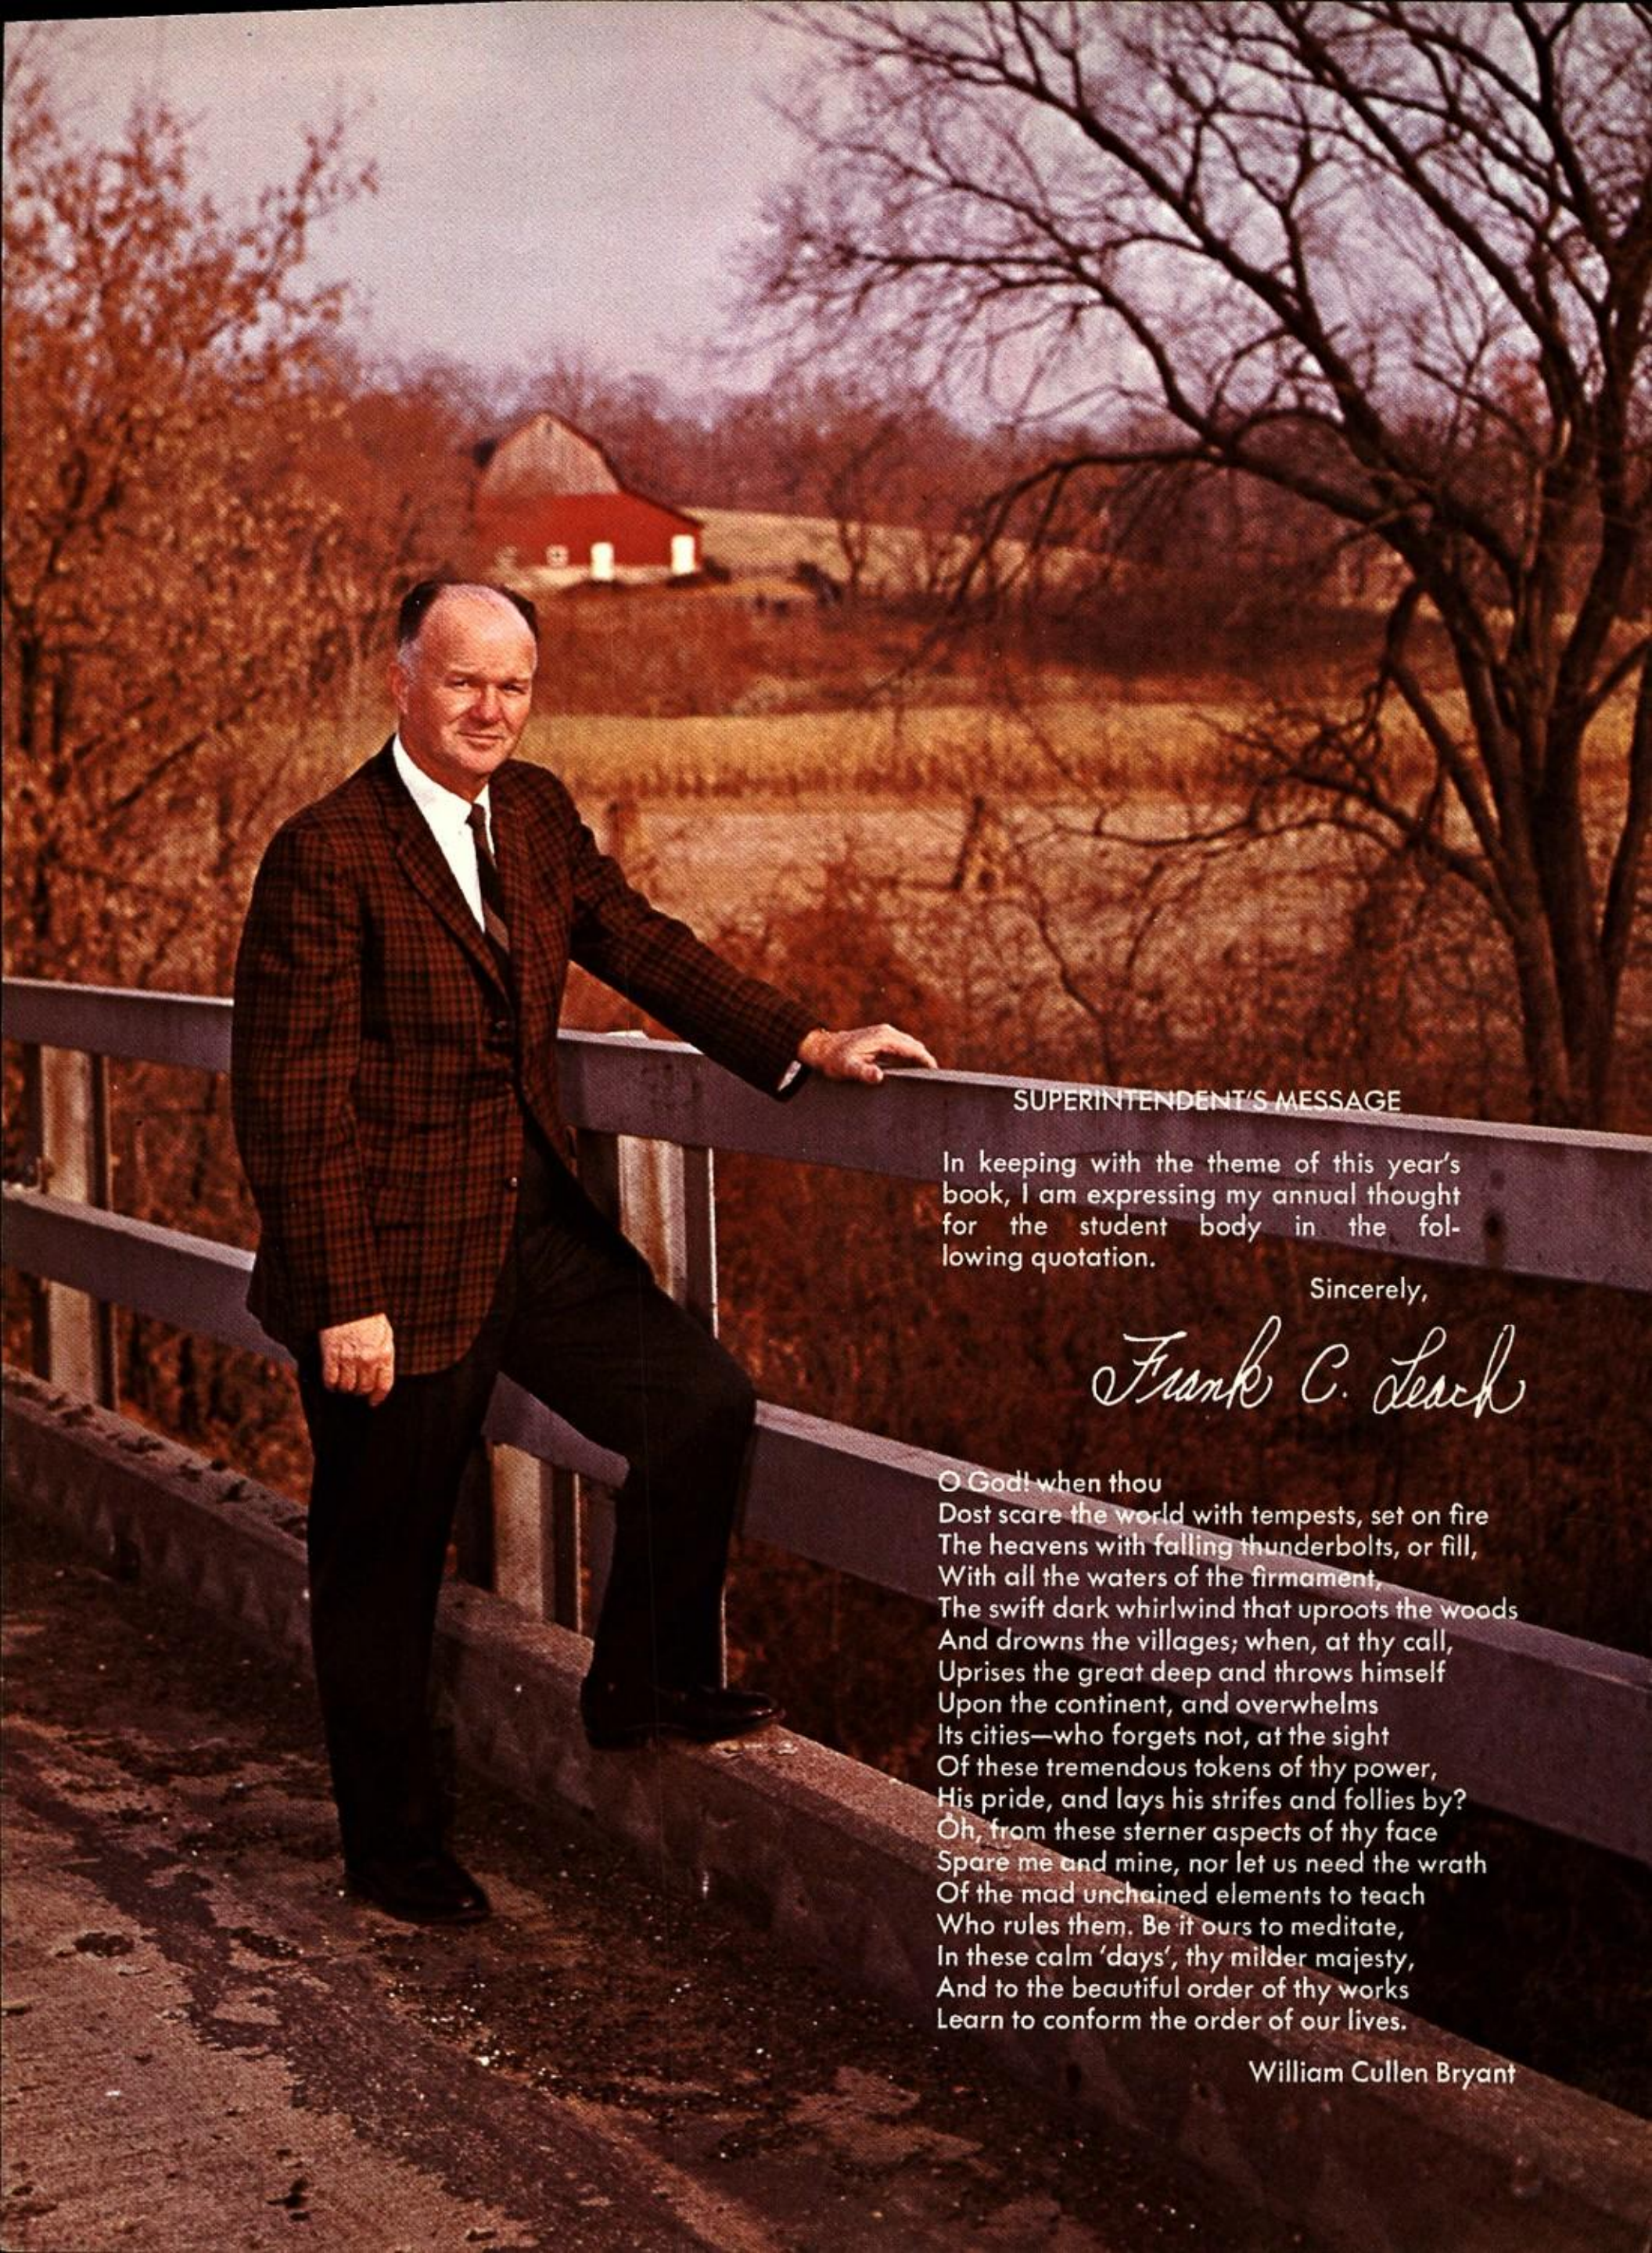

Dedication

In recognition of your years of service to Limestone, with gratitude and appreciation for your sincere interest in the promotion of high ideals, we dedicate the 1965 Amulet to you.

Mr. Richard Ingram

It is our hope that this honor will be a fitting reward for the innumerable hours spent teaching in the classroom and guiding student activities and affairs of the faculty. We would like to further recognize your endless patience in dealing with students and enriching their school days with a variety of outside activities.

SUPERINTENDENT'S MESSAGE

In keeping with the theme of this year's book, I am expressing my annual thought for the student body in the following quotation.

Sincerely,

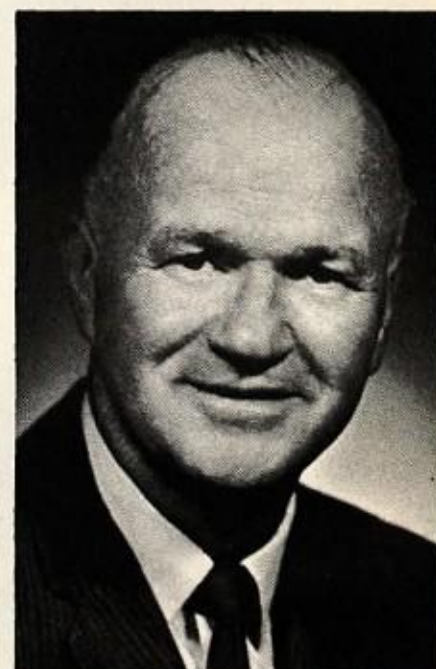

Frank C. Leach

O God! when thou
Dost scare the world with tempests, set on fire
The heavens with falling thunderbolts, or fill,
With all the waters of the firmament,
The swift dark whirlwind that uproots the woods
And drowns the villages; when, at thy call,
Uprises the great deep and throws himself
Upon the continent, and overwhelms
Its cities—who forgets not, at the sight
Of these tremendous tokens of thy power,
His pride, and lays his strifes and follies by?
Oh, from these sterner aspects of thy face
Spare me and mine, nor let us need the wrath
Of the mad unchained elements to teach
Who rules them. Be it ours to meditate,
In these calm 'days', thy milder majesty,
And to the beautiful order of thy works
Learn to conform the order of our lives.

William Cullen Bryant

Mr. Leach spends many long hours each day for the betterment and improvement of our rapidly expanding high school.

Deans Serve Twelfth Year at Limestone

Office of Student Services is the official name of the place. But Limestone students simply say, "the old office" when asked where they're heading with their problems.

Dean of Girls since Limestone opened in 1953, Mrs. Vangine Meredith has aided countless young ladies with problems of school, heart, home, and career.

Mr. Edward Herzog was here in the beginning too, as a history teacher and coach. Appointed Dean of Boys in 1961, he has worked with Limestone lads since then.

Working closely with the deans are the Limestone counselors. These four busy people help students with schedules, grades, admits, vocations, scholarships, personality conflicts, and countless other problems. The counselors find time to teach home-room groups weekly.

Senior's Homecoming Poodle is attractively enhanced by Senior Attendant Sandy Branch.

Our Homecoming Queen Jody Wendelin.

A most popular highlight of the spring season is the Fashion Show. Here three of our Senior girls (left to right) Jeannie Fitch, Linda Graham and Jody Wendelin, model their creations.

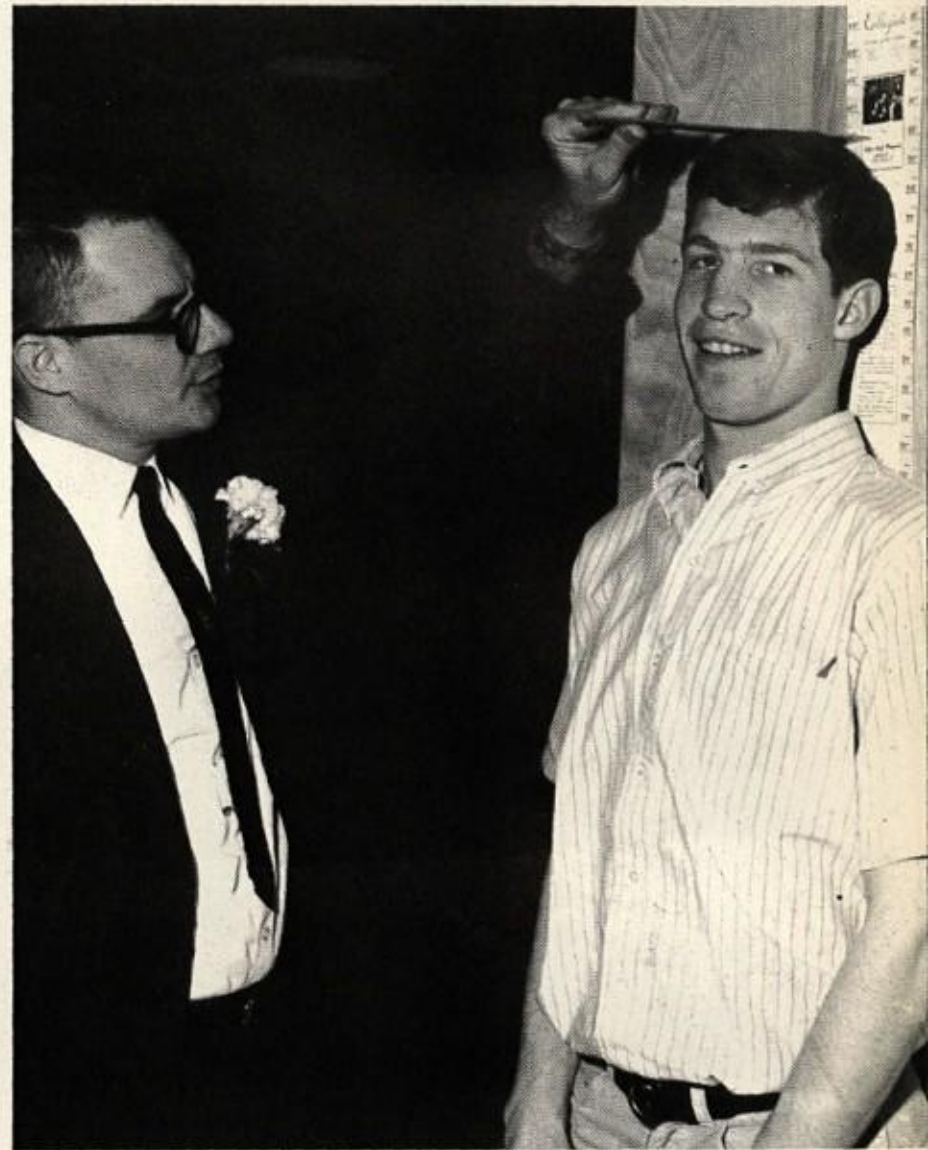

Mrs. Pirtle and Joanne Gustafson give Mr. Endsley assistance in recording sizes called off by "Tailor Ensley." L. E. Cletcher seems satisfied with the fitting.

"Let's see Kip . . . Five feet eleven and one half inches."

"Ah . . . com' on Mr. Endsley, I'm at least six foot!"

David Eisle is fitted for a mortar board. Jerry Estep is next.

The memorable day of graduation finally becomes a reality.

Some of Miss Schmidt's homeroom boys get in the Christmas spirit.

Seniors enjoy the Christmas dance.

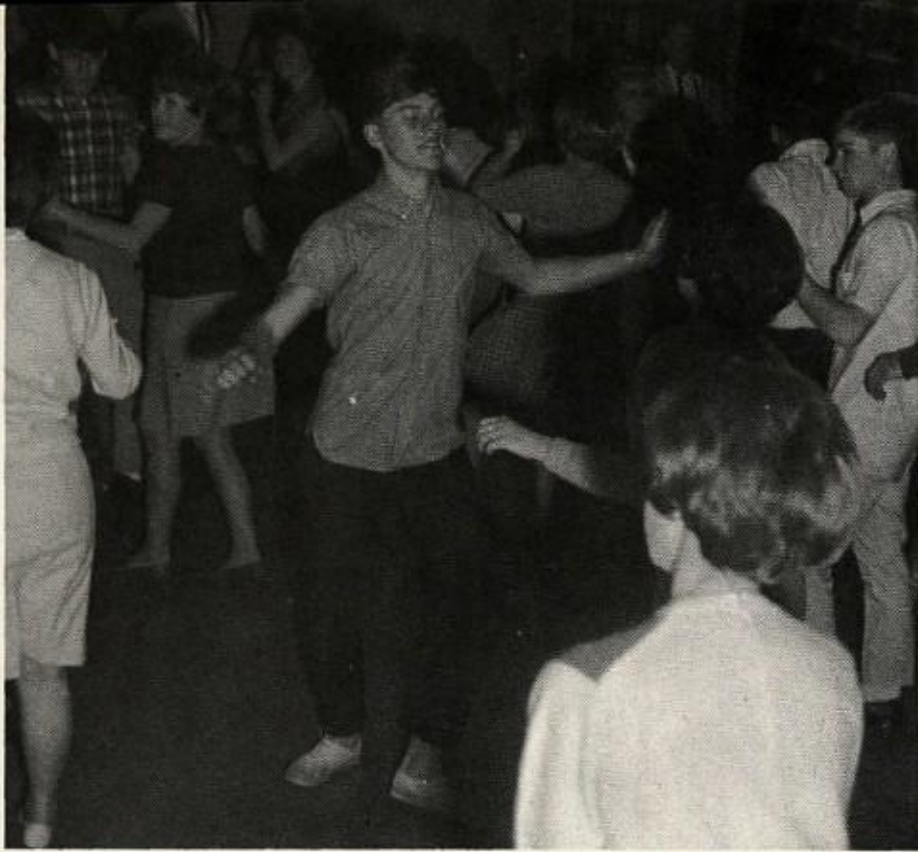

"A telephone call for you Mr. Leach."

Cooling off with a refreshing drink between classes.

Sue Johns and Judy Mathus portray Mrs. Meredith and Mr. Herzog on Student Government Day.

"Pop" dancers are displayed at the Senior Class Party.

Parents receive the "confidential word" from teachers on Back to School Night.

Javier Santoyo receives a 1964 AMULET from Bonnie Seiler, Editor-in-Chief, in memory of his visit to this school.

Below, Senior advisors, Mrs. Benbow, Mr. Bailey and Mrs. McCraith, take a few seconds to catch their breath at the exciting Senior Class Party.

Senior and Junior boys pose for our Candid Camera.

Cindy Herman

Second Runner-Up

Mr. Slane

The Miss Photogenic contest, open to all senior girls, was judged this year by Mr. Henry P. Slane of the Peoria Journal-Star.

A native Peorian, Mr. Slane attended Peoria High School, The Choate School of Wallingford, Connecticut, and graduated from Yale University with a B.A. degree in political science.

He was torpedo officer of the USS Newman, serving in both the North Atlantic and Pacific areas. Following the end of World War II, he spent one year at Georgia Tech in Atlanta, Georgia, as an instructor in Naval ordnance and gunnery.

Mr. Slane joined the staff of the old Peoria Journal Transcript in the summer of 1946. He became President and Publisher of the merged Peoria Star Company and Peoria Journal Transcript (The Peoria Journal Star, Inc.) in 1956 and is presently holding that position.

Above: "Miss" Bill Smith bursts into song as juniors laugh it up at a French nightclub. This scene is from the unforgettable Can-Can Capers Variety show. The junior act was judged the best.

Upper right: Junior John Gibson makes his campaign speech on April 1. Despite the date, voters knew that he and Mardee Farrow (lower right photo) were not fooling. John was elected president and Mardee vice-president of Student Council the next day. Retiring president, Kenny Copeland, watches the politicians in both pictures.

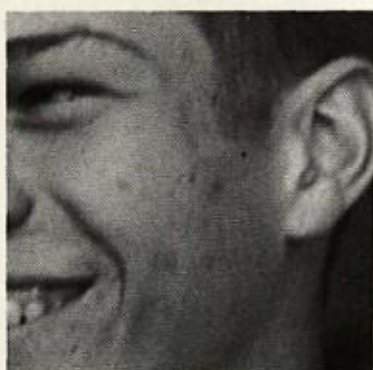

I dig those sports cars . . .

I wash behind 'em every night . . .

That's from sitting in the shade of a screen door.

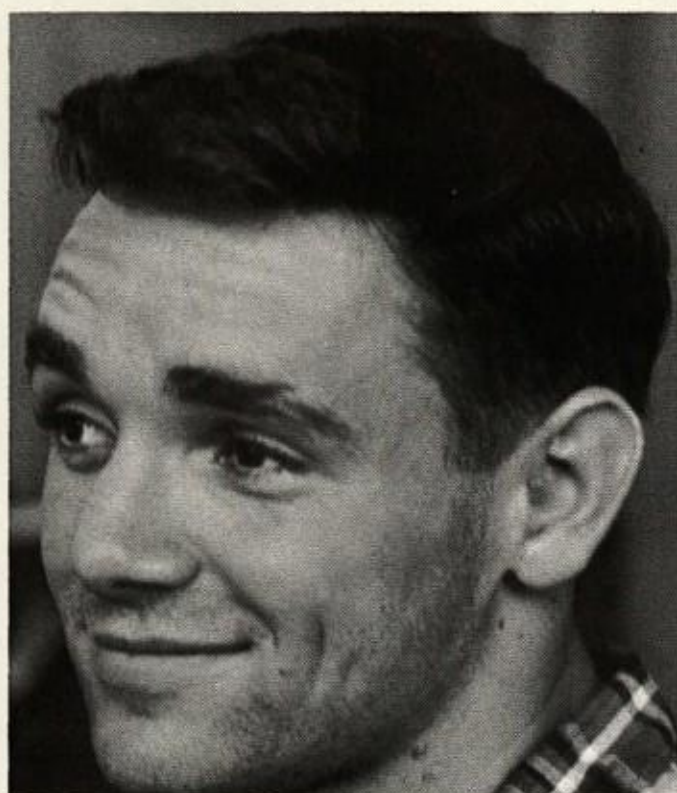

Our group had 23% fewer . . .

I'll wink instead.

Wow! Did you see that blond?

I use — blades, aren't they terrific!

Coty?? Revlon??

Coffee?? Never touch the stuff!

Freshmen burst through the door the first day of school . . . Limestone's biggest class, some 393 strong, proved themselves real go-getters during 1964-65. Frosh athletic teams were undefeated in football and baseball. A spring sponge sale was a sopping success, putting the class treasury in pretty sound shape.

Class advisers are Mr. Barnett, Mrs. Wells, Mrs. Brenton, and Mr. Rahn.

Santa and his helpers made an appearance at the Christmas dance, "Candleglow and Mistletoe".

It was a MERRY CHRISTMAS at Limestone High School. The Student Council was especially active sponsoring the Toys for Tots and the Christmas carols at the Bel-Wood Nursing Home.

In class competition for the Toys for Tots drive, under the supervision of Sharon Grassmyer and Judy Mathus, the sophomores were victorious.

On December 21 the Student Council members went out to the Bel-wood Nursing Home. They sang carols to the residents and then gave them a little party.

"Candleglow and Mistletoe", the Christmas dance sponsored by the House of Representatives was held on December 22. Being in the Christmas spirit, everyone enjoyed himself.

All the choirs in the Choral Department contributed to the glowing Christmas production. The Christmas Pageant, read by Cindi Herman, was performed by the mixed chorus.

The school took on a festive appearance. The surprised sophomores were pleased when they received first place in the decoration competition.

An added attraction to the Christmas dance was this beautifully decorated tree.

John Ketcham and Leslie Linstromberg played the leads in the "Gazebo" November 19-20. Mr. Roger Gerkin directed the Blue Thespians' fall play, a mystery-comedy filled with bodies, bedlam, and belly laughs.

Ketcham played the sophisticated author Elliott Nash with a Jack Benny-like comedy skill and was ably supported by Chuck Ames, Fran Cospito, Leslie Linstromberg, Peggy McReynolds, Antonne Schwindenhammer, Ron Blanquart, Dean Johnson, Larry Higgins, Jack Bolen, Alan Ragains, Greg Bruce, and Steve Adams.

'Medea'

Compassionate women plead for Medea's mercy.

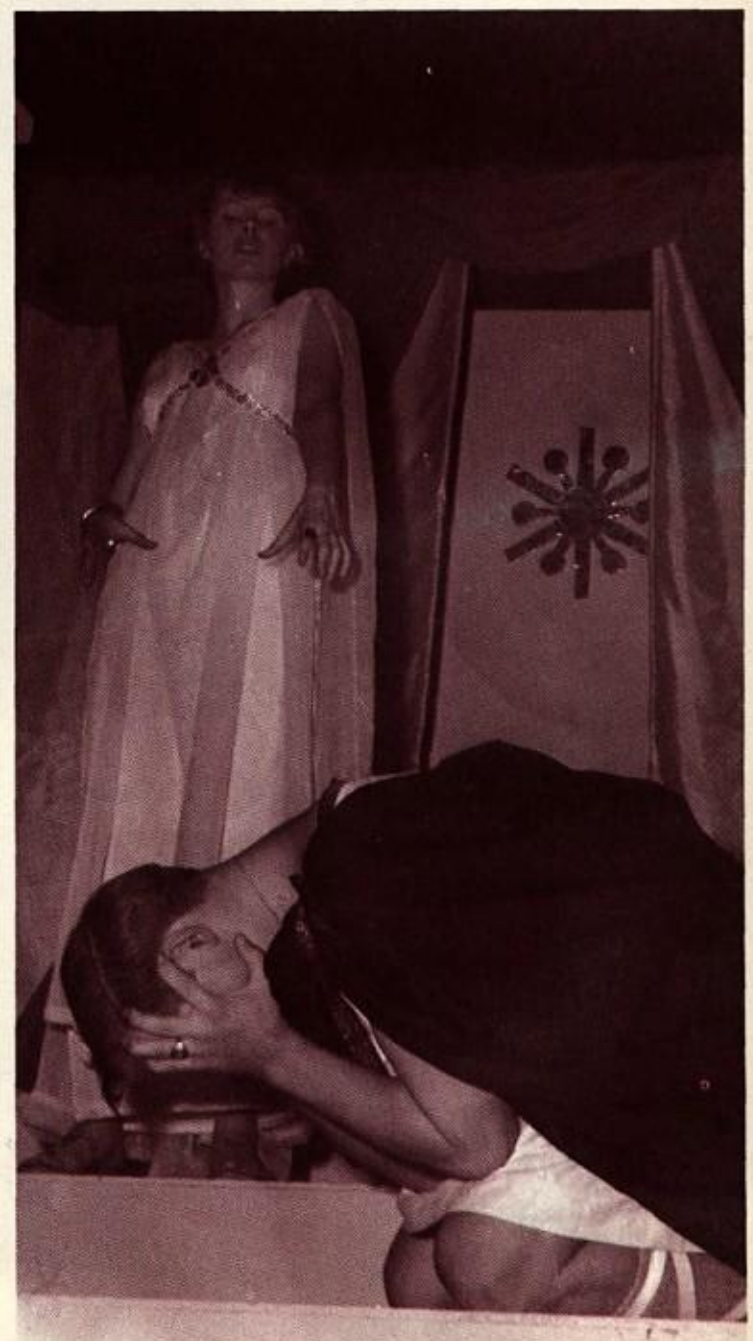

"Horrible" is the best compliment that can be given Cortnie Severns, as indeed she is in the role of Medea, the witch. She was supported in her role by Warren Null as Jason, and Glenda Welch, Penny Johns, Jackie Elliott, and Leslie Linstromberg. This Greek drama, directed by Mr. Roger Gerkin, was used as the contest play for the District meet held at Richwoods High School. This intriguing play is a first for the Blue Thespians, who have found it within their scope to include this stirring Greek phenomenon. We are proud of our fine dramatics department and appreciate their many long hours spent in rehearsal.

A Touch of Glamour

Chic! Striking! Beautiful! Fabulous! These are only a few of the words used to describe the lovely fashions presented the Home Economic students in their annual style show, "A Touch of Glamour." This parade of fashion was presented in the LCHS auditorium on April 29 at 7:30 P.M. Each girl modeled at least one ensemble she had made during the school year. Garments for every occasion were shown. Advisors of the event were Mrs. Ragain, Mrs. Clinton, Mrs. Maxwell, and Mrs. Leman.

In attendance at the Prom were Mr. and Mrs. Krumpe.

"Showers of Flowers" was the theme of the Junior-Senior Prom. The theme was carried out through the dance programs which every girl received and the centerpieces which consisted of a pastel umbrella decorated with flowers.

After the blessing by Mr. Churchill, dinner was served. Couples had their choice of fish or ham. Also served were melon ball cocktails, baked potato, peas, and mocha ice cream with hot vanilla sauce.

Miss Mardee Farrow, escorted by Jay Williams was announced Prom Queen. Bill Smith, president of the Junior Class, presented her with her crown and roses. Her court consisted of Tammy Jackson, Marty Stone, Julie Watt, and Angie Yannone.

Dancing was to the romantic music of Walt Caughlin's Orchestra. During the intermission, the Rockettes and Rocketeers entertained with selections from "Mary Poppins."

Wisdom Controls

Left: Last minute finishing touches before the grand entrance.

Sunday, May 23, the Reverend W. M. Wittig delivered the sermon at the baccalaureate services in the LCHS gymnasium. He spoke about the difference between wisdom and knowledge, saying wisdom controls knowledge. He said the greatest wisdom is self-control. He also listed the three benefits of acquiring wisdom: happiness, honor and security.

A pensive Tammy Jackson contemplates the seriousness of this milestone in the lives of these graduates. Tammy, Junior Class secretary, was Marshall.

The Reverend R. Krutz read the scripture passage, Proverbs, 4:7, "Wisdom is the principal thing, therefore get the wisdom: and with all thy getting get understanding."

Invocation was given by Jeffrey Tenney, the benediction by Patricia Pitzer, both graduating seniors.

Happy Memories

Amulet Photographers: Gary Hiltbold, Lloyd Hurn, Gary Roth.

"Yearbook" is one of those compound words whose parts really tell a story. It took more than a calendar year to produce the 1965 Amulet you now hold in your hands.

In May, 1964, Bonnie Seiler was named editor and Ron Knight was appointed business manager for the 1965 Amulet. Plans for the book were well underway by the time of the August delivery party for the 1964 Amulet.

When school started, yearbook editorial and business staffs began meeting daily. Photographs were taken and developed, copy and headlines were composed, ads were sold, and the day to day routine continued. Lights burned brightly nightly as the staff strove to meet deadlines.

We wish to thank our advisors, the administration, teachers, and students of Limestone for their cooperation. You are all a part of the 1965 Amulet; we hope you like it.

"Best Band in Peorialand" is a phrase often used by Mr. Morse to describe the Limestone High School band.

One of the biggest events for the sixty-seven members of our band was playing in a welcoming reception for President Johnson at the Peoria Airport in November.

Among the many activities of the band, they participated in the Mid-State Eight Band Festival, the Fall Concert, the Spring Concert, they sponsored a band festival for the surrounding grade schools, they played at basketball games, they played and marched at football games, marched in the Homecoming parade, Veteran's Day parade, and the Santa Claus parade.

They were host to the Mid-State Eight Band Festival on April 9, 1965.

Randy Young: 180 pounds. Gained second in the district, first in the sectional, and then went to State. Randy held the title of Mid-State Eight 180 Champ.

Don Gibbs: 133 pounds. Gained second in the district, and then went on to the sectionals.

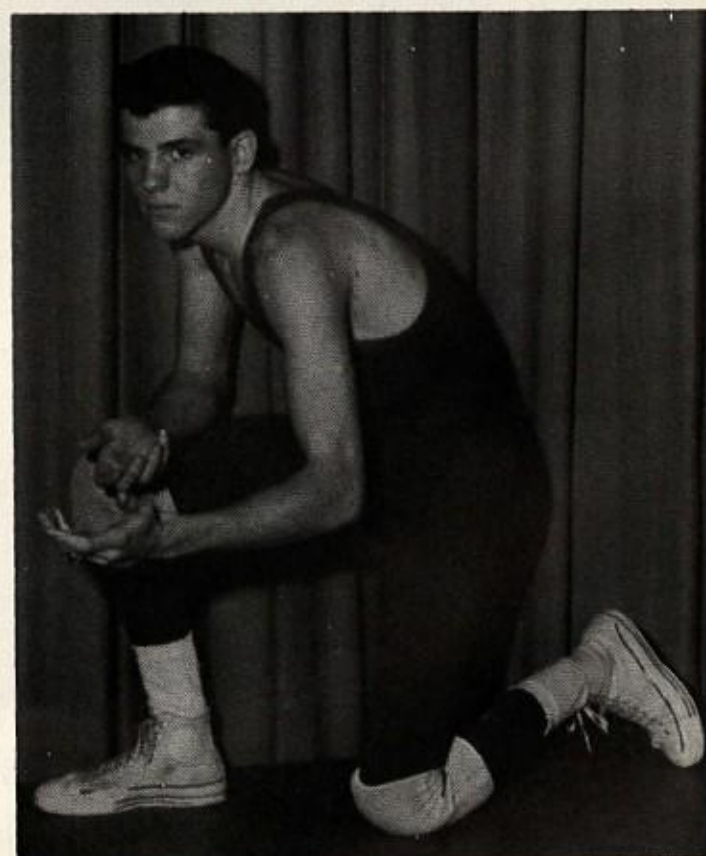

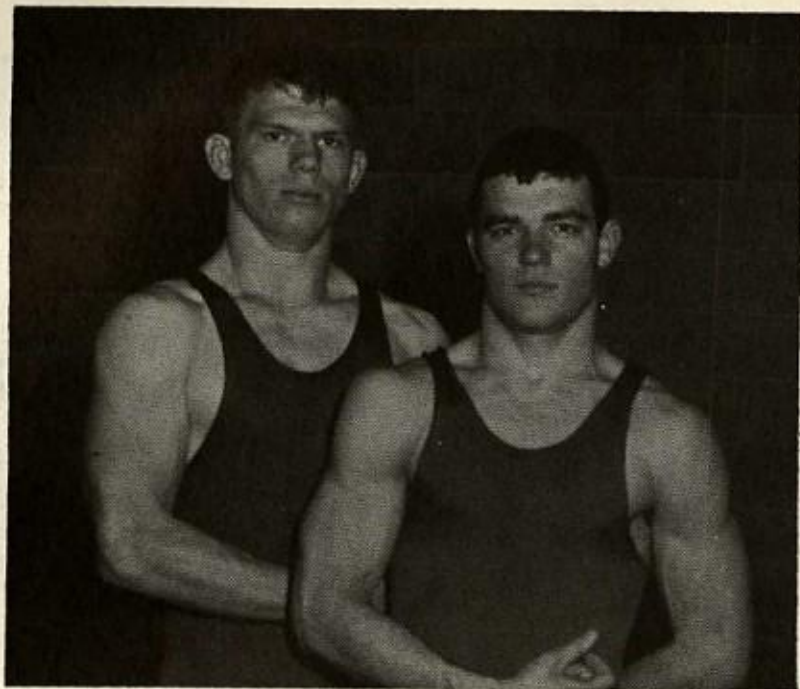

Homer Adams: 112 pounds. Gained second in the district, second in the sectional, and went on to state. Homer held the title of Illini Conference 112 Champ.

Gary Stevenson: 127 pounds. Gained second in the district, and went to the sectional.

Jack Guthrie: 145 pounds. Varsity Wrestling two years. Added many wins to help the Rockets complete a successful season.

Randy Young and Bill Papendick were named co-captains of the 1964-65 Limestone varsity wrestling squad.

Randy was a dependable point-maker for Coach Kasap's grapplers. The burly senior won the Mid-State Eight title in the 180 pound division.

Senior Bill Papendick came back strong after recovering from a knee injury inflicted during football season.

What exciting sport began its season December 1 and didn't end until Limestone was participating in the State Tourney, March 5-6?

We're talking about wrestling, that other winter sport, and the one in which the Rockets did surprisingly well. Although the bucketball brigade grew used to the tumult and shouting of sold-out arenas of frenzied fans, the wrestlers usually tangled on a Tuesday or a Thursday night, when their fellow students were home studying *Hulabaloo* or the *Fugitive*, and when the cheerleaders were busy pressing their pleated skirts for the Friday night basketball games.

Wrestlers probably don't mind too much. They thrive on the hard-nosed face to face contact of their sport—the quiet satisfaction of an escape, a fall, a pin—man against man—this is enough. Almost enough anyway.

Coach George Kasap's varsity grapplers were 4-8 in dual meets, losing some by only one or two team points. In tourneys, they were 6th in the Illini, 4th in the Mid-State 8, 3rd in the District, and 5th in the Sectional, from which 112 pounder Homer Adams and heavyweight Randy Young advanced to the State meet.

Working just as hard, for even less of an audience, were the freshman-sophomore wrestlers under first year Coach Carl Gottlieb. These boys picked up valuable experience in the B team matches that were held right along with the varsity matches. The *Amulet* would like to say "well done" to all the wrestlers who work without the roar of the crowd.

1965 Varsity Baseball Squad

Denny Lane added great support to the team with his outstanding pitching ability.

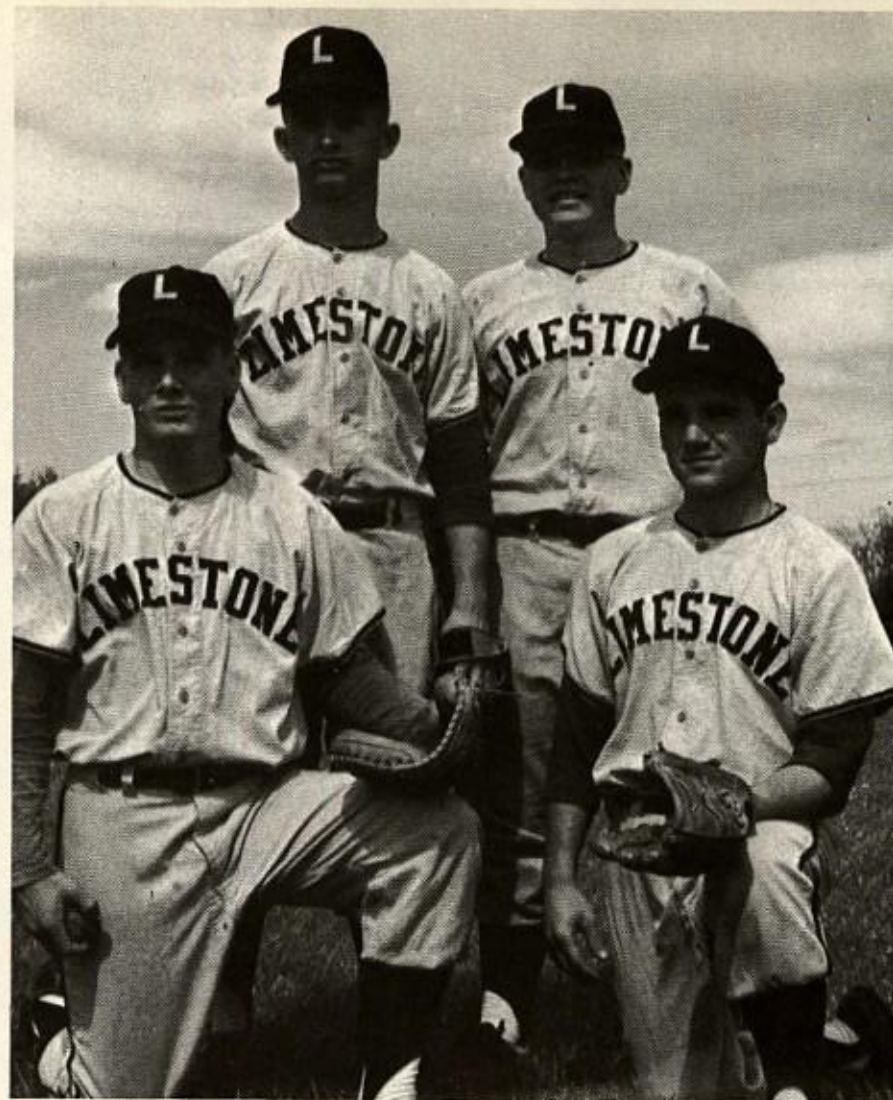

Larry Cruikshank, the leading Rocket hitter-pitcher, winds up.

Jerry Stafford shows great enthusiasm after his no-hitter game against Bergan. This gave the Rockets the District Championship.

Tom Chitwood, a senior, was awarded the title of Most Valuable Player for the 1965 Varsity Baseball Season.

Ron McMullen, Tom Knight, Denny Schumacher, and Cecil Wyman made up a large force to add to the Rocket's winning power. We hope to see these four juniors back on the diamond next year.

Enjoying the game.

The joy and enthusiasm of a win is shown as Coach Schmitt congratulates his players.

1965—Junior-Varsity Squad

Danny Patterson, a novice at the high jump, does not lack the enthusiasm needed for such an individual sport.

The "Brinker Boys" added to the spirit and moral support of the Junior-Varsity Track Squad. Here Dennis Brinker is stopped in a sensational jump—though not clearing the bar—while an itchy-kneed brother, Kenny, looks on.

Your next step may be worth \$148,000 to you

You've just received your high school diploma, and now you're at a crossroad. What will it be next . . . a college education, or a job?

Your next step may be worth \$148,000!

A college graduate can expect to earn an average of \$9,129 annually between the ages of 25 and 65. That's \$365,000 in 40 years.

On the other hand, the man whose formal education stops at high school will earn \$5,433 a year, or \$217,000 in 40 years. Thus the difference—\$148,000—is the amount a college education could be worth during the most productive years of your life.

These are only average figures. But they point out how valuable a college

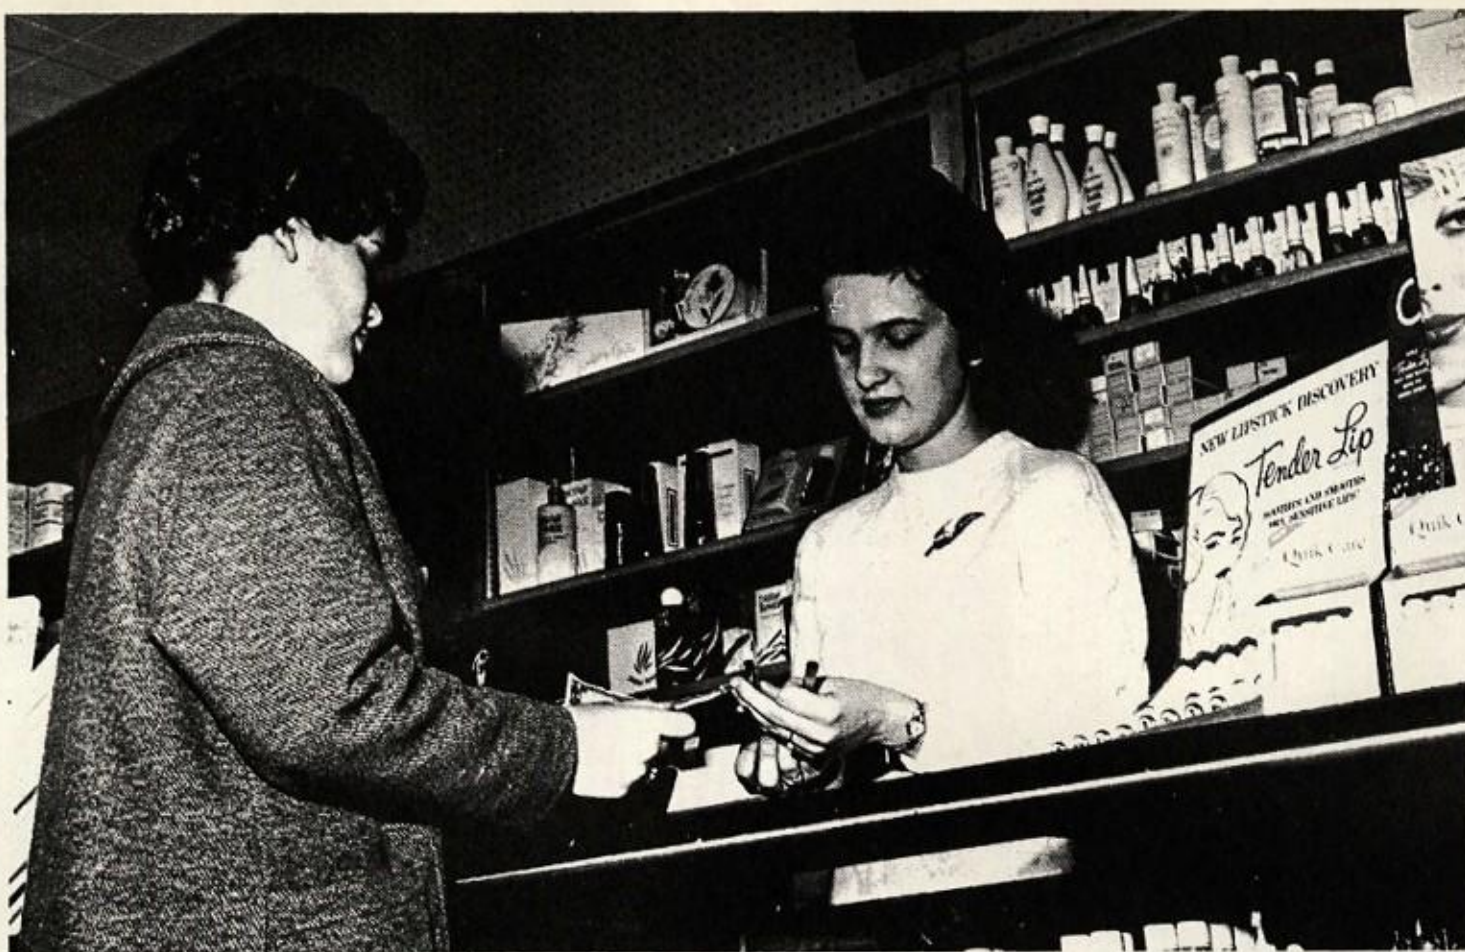

education could be to your earning power.

That extra income could mean a better home for you . . . a complete education for your children . . . a fuller, more rewarding life for you and your future family.

And a college education can help you achieve rewards which may be even more significant than a higher income. You may gain a deeper understanding of people and history . . . and possibly a sharpened ability to appreciate the complex world around us.

The experience of millions of people proves education is an investment in the future which will return many advantages. The decision is up to you. What will your next step be?

Our Inheritance

Our ancestors left many good things to America's youth . . . a country of abundance to live in . . . full opportunity to achieve . . . and the wise guidance of great Americans of the past. These leaders knew that a nation thrives best when its people are independent—free to work and dream—alone, or with others who share their aims. As Abraham Lincoln put it, "In all that the people can individually do for themselves, government ought not to interfere." This principle of independence, or free enterprise, has made America a land of plenty. It must be guarded continually, if the future is to bring still greater progress and increasing strength.

BRADLEY UNIVERSITY

At Bradley University, the student is the most important product.

In order to maintain the ideal curricular and extra-curricular facilities at Bradley, the full-time day enrollment is limited to 4,000 students. The present student body includes students from 40 states and 21 foreign countries. A large number of Peoria area students are also enrolled at Bradley each semester.

Extra-curricular activities are highly valued and carefully planned at the University to provide the student with a complete education that includes ample social contacts. Thirteen national fraternities and seven sororities combine with more than 60

other undergraduate organizations to offer each student a variety of potential interests.

To further the goal of the broadest and most complete education possible, a strong Air Force unit and a well-known lecture series are promoted by the University for the benefit of every member of the Bradley family.

Because of the large and varied curriculum which includes some 75 academic divisions, a student may choose a tight area of concentration or one that provides a broad general education. The faculty-student ratio remains at 1:17, affording each student an opportunity to obtain the important counsel so necessary for success in today's business and professional worlds.

Ideals

are like stars; you will not succeed in touching them with your hands. But like the sea-faring man on the desert of waters, you choose them as your guides, and following them you will reach your destiny.

Carl Schurz, 1859

Faith is a fine invention, faith such as that which the sailor has in ships and stars to take him safely along his watery course. Faith and Ideals go abreast in mutual glee. And no finer weapons can you possess to safely transverse this enchanted earth. Have faith in yourself, your country, your fellowman, and faith in the ideals for which they all stand. We at Carsons encourage you to contribute to the upward march of American life, and forever hold dear the ideals of our great and free land.

At Carsons we're always interested in progressive young men and women. Feel free to visit our Personnel Office.

Dear Mr. Herzog:

We would like to take this opportunity to wish you well in your forthcoming position with the Illinois State Scholarship Commission. We regret that you are leaving Limestone High School, as the part which you have played here has been very close to us.

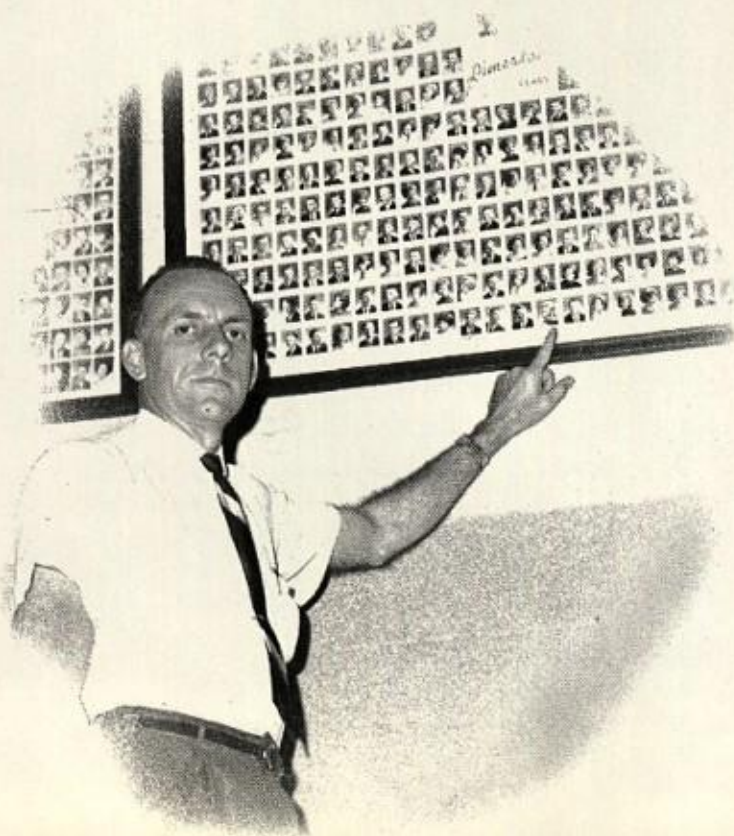

We have grown much and changed in the past twelve years, and a part of this growth and progress we must attribute to you for the many hours spent in hard work making Limestone the fine school it is today. Your days, weeks, and years as a teacher, coach, counselor, dean, and friend leave an indelible mark on Limestone High School and the people who have passed through its portals.

We are grateful to you for helping to make us better human beings, and it is our sincere wish that you will be very happy in your new job.

Warmest regards.

P.S. We'll miss Mrs. Herzog, too.

The Student Body

My heart is awed within me when I think
Of the great miracle that still goes on,
In silence, round me—the perpetual work
Of thy creation, finished, yet renewed
Forever. Written on thy works I read
The lesson of thy own eternity.
Lo! all grow old and die—but see again,
How on the faltering footsteps of decay
Youth presses—ever gay and beautiful youth
In all its beautiful forms.
